

# ARTEMILINE®

FROM ASIAN MEDICINE  
TO SKIN RADIANCE

In Asia, Mugwort is used mainly as a medicinal herb for its **antibacterial, antifungal, detoxifying and soothing properties.**

Thanks to a patented extraction process, we have been able to obtain an extract with antioxidant activities that **prevents the signs of aging.**

**ARTEMILINE®** improves complexion for a skin-brightening effect.

**INCI:**  
*Artemisia capillaris* extract

**Dose of use:** 1-2%

**Aspect:**  
Transparent brown liquid

ARTEMILINE® is raw material verified by ECOCERT Greenlife, conform to the COSMOS Standard.
