PAPER PACKAGES ARE A BIG CONTRIBUTION AND SOLUTION TO REDUCE THE AMOUNT OF CIRCULATING PLASTIC PACKAGES. UP TO 100% RECYCLABILITY

We are constantly improving, meeting future needs, keeping the whole production circle in mind to offer environmentally friendly solutions.

We strive to keep the consumption of energy as low as possible throughout the whole production process. More than 99% of our waste can be recycled.

All our CMYK colours are soy-based and eco-friendly. To increase the degree of sustainability we also depend on the choices of our clients and brands. Many clients use FSC-certified paper. There are many ways to improve the CO2 footprint and we are happy to share our expertise with our clients.

Thank you for the extremely reliable cooperation, the many creative impulses and the great solutions! Also, we had never experienced such a fast concept development and really perfect implementation.

The new type of box we use for our highest quality single malt whiskys has delighted us and our customers alike.

We love it! We are looking forward to further projects.

DE

JYX hat unsere hohen Ansprüche vollstens erfüllt. Danke für die äußerst zuverlässige Zusammenarbeit, die vielen kreativen Anstöße und die tollen Lösungen! Auch eine so schnelle Konzeptentwicklung und wirklich perfekte Umsetzung hatten wir so noch nicht erlebt.

Die neuartige Box, die wir für unsere hochwertigsten Single Malt Whiskys verwenden, hat uns und unsere Kunden gleichermaßen begeistert.

We love it! Wir freuen uns auf weitere Projekte.
